Running Order

Standard Classes will run before Jumpers with Weaves.

Regular Classes will run before Preferred at each level.

Move ups

Dogs may be moved up to a higher class at the request of the owner, as a result of qualifying for an agility title, provided that the request is made to the Trial Secretary not later than 6:00 pm on Monday, September 23, 2002.

Course Familiarization and Warm Up

Handlers in all classes are permitted to walk the course, without a dog, prior to the start of a class. The walk-through allows handlers to plan their strategy for running the course. A walk-through period will be held prior to each class following the Judge's briefing. Novice A and B dogs and handlers only will be given a familiarization period prior to the start of judging during which they may perform each of the contact obstacles once. Dogs may work on or off lead and will perform contact obstacles one at a time. A warm-up area, consisting of a regulation agility jump, shall be provided.

Height Divisions

Owners are responsible for entering the proper height divisions. Handlers may opt to run in a higher height division but not in a lower division. A judge may move a dog to a higher jump height upon measurement but may not move a dog to a lower jump height.

The following jump height divisions shall be used in all Regular classes:

- 16 inches - For dogs 18 inches and under at the withers.
- 20 inches - For dogs 22 inches and under at the withers.
- 24 inches - For dogs over 22 inches at the withers.

The following jump height divisions shall be used in all Preferred classes:

- 12 inches - For dogs 18 inches and under at the withers.
- 16 inches - For dogs 22 inches and under at the withers.
- 20 inches - For dogs over 22 inches at the withers.

Obstacles

The following mandatory obstacles and jumps shall be used for all classes except where noted below:

A-Frame	Tire Jump	Bar Jump	Broad Jump
Dog Walk	Weave Poles	Single Bar Jump	
Seesaw	Open Tunnel	Double Bar Jump	Panel Jump
Pause Table	Closed Tunnel	Triple Bar Jump	

Novice: 13-15 Obstacles. 6 Weave Poles in the Standard and JWW Class. No Triple Jump or Single Bar Jump may be used.

Open: 16-18 Obstacles. 6 to 12 Weave Poles. The Broad Jump and/or Triple Jump may be used.

Excellent: 18-20 Obstacles. 9 to 12 Weave Poles. The Broad Jump and/or Triple Jump may be used.

Rule Changes as of September 1

Table - Leaving the table before taking the required position, during the count, or before or during the judge's command of "Go" - 5 point fault.

Outside Assistance - Ringside help meant to aid the handler or dog - 5 point fault to elimination.

Failure to Control - Dogs not under the handler's control when leaving the ring - 5 point fault, recorded as refusal, to elimination.

Contact between the handler and the Dog that aids the performance of the dog - Mandatory Excusal.

Failure to comply with a judge's verbal instructions - Mandatory Excusal.

Novice Standard Changes:

A short set of 6 Weave Poles will be added to the Standard Course. However, refusals and run-outs during the performance of the Weave Poles will not be faulted. More than 2 Table Faults are elimination.

Open Standard Changes:

More than 1 wrong course or more than 1 Table fault is elimination.

Excellent A Standard Changes:

Any wrong course or any table fault is elimination.

Excellent B Standard Changes:

Effective 1/1/03 - The minimum qualifying score will be 100.

Single copies of the latest editions of the "Rules Applying to Dog Shows" and "Obedience Regulations" and "Regulations for Agility Trials" may be obtained WITHOUT CHARGE from THE AMERICAN KENNEL CLUB, 5580 Centerview Drive, Raleigh, NC 27606-3390.

Jump Height Cards

Please enclose a photocopy of your Official AKC Jump Height Card, if you have one, with your entry form. For dogs two years and older, Owners/Handlers must send a photocopy of a permanent height card or be measured prior to competing. For dogs under two years of age, the Owner/Handler must send a photocopy of a temporary height card or be measured prior to competing.

Exhibitors should carry the original valid official Jump Height Card to each trial to present upon request.

All dogs that have not been officially measured for a Jump Height Card may still compete; however, they must be measured by the Judge of record, prior to running at each trial, unless jumping at 24" in the Regular Classes or 20" in the Preferred Classes. The Judge's measurement will be valid for this trial only. For the Judge's planning purposes, the Trial Secretary should provide the Judge with a list of dogs that will require measuring. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

If an AKC Field Representative or a Volunteer Measuring Official (VMO) is present, all dogs not yet officially measured must be measured for a Jump Height Card.

If a dog is measured by an AKC Field Representative or Volunteer Measuring Official (VMO) and is now eligible to jump in a lower height class, the measurement is only effective for any trials that have not yet reached their closing date.

Each dog is allowed one re-measurement per lifetime if the dog is past its second birthday. Prior to the second birthday, a dog may have one additional measurement after the initial official measuring. In both cases, the measurement official is to be told the re-measurement is a "challenge" measurement.

Misrepresentation of a dog, including altering information on a Jump Height Card, is grounds for misconduct.

Can You Help?

It takes a lot of people to put on an agility trial. If you can help for even one class, your fellow exhibitors will appreciate it. Pick a job that suits you and mail this form back with your entry.
